Chairman's Message

The volunteer Jassy Dean Trust is proud to welcome guests attending the 2017 Waiheke Garden Festival.

Fantastic news: This year we are delighted to welcome our new main sponsor, Fullers. Fullers' generous support allows us to give the very best to our guests and our community.

This year's 17th annual fundraising weekend has an exciting new educational format, as well as keeping the 'gardens to visit' theme, including six wonderful previously unseen gardens to view.

We start the weekend with our Friday evening gala Art Auction hosted by popular TV personality Brooke Howard-Smith and auctioneer George Erdos at Rorohara, Pie Melon Bay, a fabulous evening of art, food and wine.

The amazing Ngaio Lewis at 403 Seaview Rd will have her garden open on Saturday from 9 am to 2 pm, again offering a huge variety of plants for sale, not only is this a 'must visit' sale, with quality plants to buy at very reasonable prices, it is a beautiful location overlooking Onetangi Beach.

After Saturday's garden visits, Sundowner drinks and entertainment are presented at Hei Matau Lodge. Eat, drink and dance to the music of Deep House Brothers watching the sun set over the city, in the waterfront garden surroundings.

Nationally popular gardening guru, Lynda Hallinan, is hosting a garden talk at Sacred Blessing Sanctuary gardens. In addition, renowned popular media food personality, Julie Biuso, will provide delicious food. (This is a separate ticketed event).

Wonderful sponsors help us with presenting this weekend, and we are grateful for the help and assistance of Paper Plus Waiheke, Placemakers, Be My Guest, Tui and Go Media.

However, the last word of thanks must be for our Volunteers. Year after year they freely welcome guests with friendly faces; they are the 'behind the scene' workers and get the job done. We are very grateful for every single one of them.

This weekend is for the enjoyment of our local, national and international guests, however motivating the weekend is fundraising to support children on Waiheke Island with a medical condition. So enjoy, have a fantastic time, and know that ALL of the profits from this weekend support Waiheke children and families.

Best wishes,

Greg Dean

Garden 1

Korora Grove - 60 Korora Road
Anna and Shane Brealey

The garden is set in a 2 hectare olive grove. The olives were among the first planted in the 1990's. Many varieties were planted to test which would be most suitable to Waiheke's conditions. An orchard of apricots and apples was planted at the same time. The garden around the house was designed by award winning Natural Habitats Landscaping. Their brief was to keep it simple to reflect the design of the house and also for low maintenance as there is already plenty of work to do on the property!

Like all gardens ours is a work in progress! Although our names are on the title, we are just the guardians of our lovely, flat, beach side property, that we have been nurturing since we moved here 6 years ago. Our vision is to create a garden which engages all the senses. Not just beautiful to gaze upon but also includes trees and foliage, birdsong and a bubbling fountain, scented vines, bedding flowers and importantly veggies, fruit & berries for the palate. Many components go towards realising this vision including compost systems, permaculture techniques and of course the knowledge and advice of others, especially Lyndell Shannon of Gardens Realised and also the ladies from the Waiheke Garden Club.

Baked goods, light refreshments, coffee and tea available.

Garden 3

43 Tiri View Road
Carolyn and John Becroft

We were very fortunate to inherit a much loved garden and during the last 14 years we have continued developing and changing parts of it as and when we have been inspired to do so. There is, however, no grand plan! Although the garden is not large, there are a number of pathways from which the various areas can be discovered and appreciated, along with beautiful northern sea views towards Little Barrier Island. We enjoy the diversity of plants we have and there is certainly more emphasis on form and foliage than on flowers. Our raised bed vegetable garden provides us with herbs, salads and a variety of vegetables throughout the year, with a composting area nearby. Since this is a mature garden most of our gardening time is spent on keeping the constant growth in check. A particular delight is the water feature and while children are welcome parents, please be vigilant in this area. We also ask that children do not touch or climb on the sculptures for safety reasons. The original name of the property was 'Peace Haven'. It certainly has become our peaceful haven and we hope you enjoy your visit.

Our garden is less than a year old and is very much in its development phase. The design concept was created by Robyn Shafer of Orewa in conjunction with ourselves incorporating Council requirements that we had to include a number of natives. The Springfire pohutukawas fringing the driveway and a single kowhai are the only plants remaining from the original planting. We were able to obtain some mature Chatham Island Nikaus, Lepidozamia and Macrozamia which we augmented with a selection of other palms and natives. There will be additional underplantings of bromeliads and other colourful plants. We sourced mature grass trees from Western Australia and Mexico. On the northern and eastern boundaries a variety of succulents, grasses, aloes and cussonias. Scattered around the property are a number of sculptures by some of the country's well known artists. All the work has been carried out by the team at LSG Landscaping. Enjoy the stroll and check out the view from the window in the fence.

Garden 5

72 Victoria Road South
Richard Standfield and Karen Campbell

Our garden has been developed over the last 20 years. It has been a long slow process but also very rewarding. We have encouraged native plants at the front of the house, namely punga, nikau, pony tails and manuka. A manicured lawn at the back surrounded by bromeliads, lilies, flaxes, native grasses and ferns, with larger natives defining the boundary. The garden is tranquil and private with abundant birdlife. It is our own little haven for peace and reflection.

This road is very narrow and parking is limited. Parking attendants will help you park safely.

Phil and Sally Danby - Valley of the Birds

Within our valley, we have built a variety of gardens of different themes within our micro climate, you need a will to survive here with temperatures between -5 to 35 degrees. Pockets of

artwork and scarecrows can be seen as you wander between the vegetable or bromeliad garden to the shade house or mini orchard. Native birds are attracted and complement our own bird life in our aviary. A work in progress over 13 years that continues to evolve. Our garden is shared with friends and family, the birds, ducks, chickens, goat, rabbits and pheasants along with flowers for strangers, a shared garden and a good life.

There will be a variety of bromeliads for sale throughout the weekend at this garden. All sales benefit the Jassy Dean Trust. Food available in this garden.

Sundowner

Saturday 11 November 4pm to Sunset Hei Matau Lodge, 6 Cable Bay Lane

A great way to relax after a day in the gardens, watch the sun setting over the Gulf and the City while enjoying a drink and a bite to eat at our Sundowner Garden on Saturday evening. Wander the gardens while you enjoy local wine and beer, some lovely gourmet food and tunes while taking in the sunset from Hei Matau Lodge.

Hei Matau was a featured garden in 2015. At the highest point of the site, you are welcomed by the stunning view of house and sea, framed by the entrance gates. Artworks enhance the gardens and the architecture of the lodge. A wind screen installed around the northern seaside terrace provides this area with ample shelter from the winds and a fabulous view of the Waitemata and Sky Tower. Don't miss out on seeing this lovely garden setting. Deep House Brothers will get you up and moving. Entry is free for Festival ticket holders or \$15.00 at the gate.

Eftpos & Street parking is available.

Garden Party with Lynda Hallinan Sunday, 12 November 2 - 5 pm Sacred Blessing Sanctuary, 5 Coromandel Rd

Put on your flowery frocks and best shirts and enjoy an afternoon with gardening guru Lynda Hallinan at Sacred Blessing Sanctuary. Lynda will delight us with gardening tales and tips. Enjoy the beautiful gardens of the Sacred Blessing Sanctuary, a glass of bubbles and canapes by the lovely Julie Biuso from Shared Kitchen. We're really excited to present our Gala Garden Party at the gorgeous and spectacular Sacred Blessing Sanctuary. Additional bubbles and craft beer on offer, eftpos available.

Tickets are \$60 and available at www.fullers.co.nz and Paper Plus Waiheke. All sales benefit the Jassy Dean Trust, caring for kids.

proudly supporting the community of **WAIHEKE ISLAND**

Whether we're getting behind sporting groups, charities, wildlife efforts, schools or the local arts, Fullers are committed to supporting local communities and businesses. Sponsorship of events, organisations or individuals is an important part of our business – we're proud to give something back to our local communities and fuel their growth.

MEDICAL

HEALTH & Wellbeing

Ensuring sick children and their families get travel assistance off the island for critical medical treatments. We support Waiheke's Jassy Dean Trust and also provide free travel to Waiheke Health Trust's radiographer so that Waiheke residents have access to on-island X-ray services.

Fullers also proudly supports the Auckland Rescue Helicopter Trust's annual fundraiser lunch at Man O' War winery.

ENVIRONMENT

CONSERVATION Partnerships

We're committed to preserving the island's unique ecosystem through sustainability efforts, partnering with conservation organisations such as the Waiheke Resources Trust's Love Our Wetlands project. We subsidised fares for volunteer groups – who planted more than 3,000 native trees in 2016.

Our partnership with the Waiheke Walking Festival is dedicated to raising awareness of the island's environment, supporting both conservation and restoration efforts.

YOUTH

SCHOOLS & Sports

We support Waiheke Primary School, plus sponsor youth sports teams, including Waiheke United Football Club, and Waiheke Junior Cricket League. A swim program in partnership with the Tepid Baths provides special discounted swimming lessons and ferry fare packages.

Transport assistance is provided for the Waiheke Rams Rugby Club to games in Auckland City every weekend during the season.

EVENTS

EVENT Sponsorship

We proudly support and sponsor many events on the island, including Waiheke Garden Festival, Waiheke Wine & Food Festival, Onetangi Beach Races, headland Sculpture on the Gulf, and Waiheke Arts Festival.

Fullers Wharf2Wharf celebrated its 26th year of running and walking from Orapiu to Matiatia. All money raised goes straight back into charity on Waiheke Island.
